

## Curriculum Information

### Autumn 2 Year 4

**Our topic this half term is 'Anglo Saxons'.**

Big and strong, powerful and brave, the Saxons will guide us through what Britain was like after the Roman withdrawal. We will sail back in time to where battles were rife and fear reigned as the Anglo Saxons invaded Britain's shores. We will find out about the lives of the Saxons, including how they lived and where they came from.

**As writers**, we will be writing stories, information pages and setting descriptions.

**As readers**, we will read Varjak Paw and follow the fictional adventure of a inquisitive cat.

**In Maths**, we will learn methods for multiplication and division, interpret data and secure knowledge of multiplication facts.

**In Science**, we will learn about electricity including constructing electrical circuits and exploring insulators and conductors.

**In Computing**, we will improve our typing speed and efficiency, refine searches and use green screen to present information.

**In Design and Technology**, we will design, make and evaluate gingerbread products.

**In Geography**, we will identify the world's seven continents and name some European countries.

**In History**, we will learn about where the Anglo Saxons came from, where they settled in Britain and their art and culture.

**In Languages**, we will be speaking, listening and writing about shop names and places in town.

**In Music**, we will be singing in rounds and listening to the music of Vivaldi.

**In PSHE**, we will learn about family relationships and the importance of them.

**In PE**, we will take part in football and a South African Gumboot dance.

**In RE**, we will learn about 'The First Holy Communion'; a Christian sacrament.
