Dear Mr Giant,

I am writing to you because

we are devastated that we cant
play in your garden. please dont
stop reading my letter ~~MR~~ Mr Giant. why did you
shut your garden?

Open your garden to let wildlife
sneak in and the animals make their
natural habitat. open your garden or youll
have no friends.

What loveley songs the birds sing with
great joy!!

It would make my week if you
opened your garden.

Please knock your wall down Mr Giant!

I hope I have managed to persuade
you.

Yours faithfully oliver x
