Learning to Write a recount about our school trip

Mary Arden's Farm

By: Lily Ogilvie

On Wednesday 11th July, 2018 Pine 4 went on the best trip of the year. We went to Mary Arden's Farm to learn about how Tudor children lived. Pine 4 went with Mr. Hammersley, Mrs. Faulkless, Mrs. Dark and Mrs. Allbrighton. We went there on a coach and it took an hour to get there.

At 9:00AM Pine 4 got on the coach. I sat next to Lily Ralph. Next to us was Lexi and Natalia. We all sat on the seats in front of the backseats. Behind us was Mackinley, Kane, ^{Ronnie} Ronnie, Joseph and Isaac. We were reading different ^{poems} poems from ^{the} coach. We finally got off the coach and got split into groups.

We finally sat down in a room and talked about Tudor clothes. After, the girls got changed into the Tudor clothes. So ~~did~~ the boys ^{too}. When they drew the curtain the boys saw what the girls looked like.

And the girls ~~too~~^{sat} saw what the boys looked like. It was really funny. We all laughed at each other.

Then, we met Mistress ~~Roxanne~~^{Roxanne} and ~~she~~^{she} played the recorder for us. She taught us how to bow ~~like~~^{open curiously} and my group ~~did~~^{was} the first activity. The herb garden. We walked through the garden smelling and feeling the herbs. We went inside and ~~discuss~~^{talked about} discussed what herbs are used for. After, we crushed some ~~lavender~~^{lavender} and put ~~them~~^{it} in a little bag. It is used for good smells, if you smell a bad smell you can just smell the bag.

After that, we went up stairs and made Lucits. It was quite hard, but I got there at the end. The wool that I used was dark blue with tiny bits of other colours too. On the bench I sat next to Emelia and ~~Jess~~^{Jessica}.

Next, my group painted a wall hanging. ~~It's this~~^{A wall hanging is} a piece of cloth that you paint and the things that we painted were ~~Tudor~~^{Tudor} roses. I love painting so I thought it was really good for me.

Following this, was lunch. We sat in the shade eating our lunch. After we had finished eating lunch, we were running around on the stage and playing qits. It was really fun.

Later on, we ~~wated~~ waited for Roxanne to make butter. We had to sing 'Come butter Come, Come butter Come!' It was very ~~weard~~ weird but funny!

Next, we did dancing. Tudor dancing. It was really fun. We played ~~this~~ ^{an} action game where she called out a ~~clance~~ ^{move} and we had to do it. It ~~included~~ ^{she even called out} Fortnite dances. It was amazing, and hilarious. ~~The~~ ^{they} teachers tried to do the dances, ~~they're~~ ^{they're} not very good. We also saw the horse. She was very cute.

Later on, we watched the master fly his owl. In rows of 4 we sat in the middle of the floor and the owl flew over our heads. I felt it touch my head. It was so cool. After, we got back changed into our normal clothes.

Then, was the coach. I sat at the back with Lily R, Lexi, Natalia and Molly. I love sitting at the back. We waved to the people in the cars and one lady waved and blew kisses at us. I don't even know who she is!?

I thought the day was amazing!
