

Hi

Welcome to Team Birchwood Primary School.

We are a group of parents, carers, teachers and friends who support the school through a variety of events throughout the year, in which we try to raise funds for the school.

You are always welcome! Please don't think that by volunteering that you will be committed to spending vast amounts of time, resources and energy... we all give different things, and in different amounts, be it our time, our baking skills, our craft skills, organizational skills or ideas, and it is very much appreciated.

We understand that everyone leads very full lives, and have many commitments, but if you could spare some time for the school, you would help benefit so many children, and with such a great school it's a way of supporting everything that they are already doing for our children.

We are always open to new ideas, if you have any questions or suggestions for an event or a fundraiser, then please come to a meeting, get in touch, or speak to someone on the team, leave a message with a teacher or at the school office, or email - [tbps2619@welearn365.com](mailto:tbps2619@welearn365.com) - Our meetings are friendly and you would be very welcome.

We are very proud of what we have achieved, a lot of work has gone into creating a supportive and dedicated Parent Teacher Association. We appreciate the efforts of every person involved and want to build on our success and support for the school.

Rachel Bonner – Chair of TBPS
