

Birchwood Primary School

The Sports Premium

Academic Year 2024/25

This report outlines how our school has planned to spend the Sports Premium allocation in 2024-25. It also outlines our key principles and reasons for spending the Sports Premium in the way that we do.

Our Principles and Objectives

The Sports Premium is used to fund and maintain the standards of additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-ages pupils, in the 2024 to 2025 academic year, to encourage the development of healthy, active lifestyles.

School are free to spend the Sports Premium as they see fit, however our approach and vision for our pupils is to ensure that all are offered '**rich opportunities and memorable experiences**' and that those from poorer socio-economic backgrounds do not suffer barriers which hamper their progress and attainment.

Our decisions on how best to use the 'Sports Premium' are based on the findings of high-quality research and publications, as well as OFSTED's own 'best practice' guides. These have supported our decision on expenditure over the best and most effective use of our Sport Premium Funding.

We believe that:

- All of our children should and will benefit from the teaching and learning opportunities that Sport Premium funding provides
- Appropriate provision is made for all pupils belonging to vulnerable groups, including those who are from socially and economically disadvantaged groups.
- Sport premium spending should be allocated following a needs analysis which identifies children with priority needs.
- Our Sport Premium funding should be spent in a wide and imaginative variety of ways, so as to benefit the wide variety of interests and needs of our children
- Our Sports Premium funding should be spent according to 'best value principles' and related to activities which research suggests will make the very best use of the finances available
- Whilst there are some 'quick wins', there is a need to also take a 'long term view' to stop achievement gaps from widening. Some of our long-term objectives will take more than an academic year to come to fruition.

Our Sports Premium Funding

Total number of pupils on role: 453 (392 from Y1 - 6)
 Total amount of Sports Premium Grant per pupil: £10 each (Y1 – 6) plus £16,000
 Total amount of Sports Premium Grant: £19,920

Our Targeted Areas

- In order to improve the progress and outcomes for pupils we aim to:
- Maintain the increased confidence, knowledge and skills of all staff in teaching PE and sport.
 - Continue to enhance the engagement of all pupils in regular physical activity.
 - Continue to raise the profile of PE and sport across the school as a tool for whole school improvement.
 - Continue to offer a broader experience of a range of sports and physical activities offered to all pupils.
 - Continue to increase participation in competitive sport.
