Dear Mr Giant!

I am writing to you because you
won't let us in your garden.

Firstly you need friends so let us in
so the cold spirit will go away.

Secondly if you let us in the
spring will come.

I look forward to eat the apples.

I hope I ^{persuaded} swayed you so can we
come in?

Can I smell the fragrant fruit
?

faithfully yours Maxwell

P.S will what a good giant you
be!
