## Birchwood Primary School The Sports Premium

#### Academic Year 2023/24

This report outlines how our school has planned to spend the Sports Premium allocation in 2023-24. It also outlines our key principles and reasons for spending the Sports Premium in the way that we do.

#### **Our Principles and Objectives**

The Sports Premium is used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-ages pupils, in the 2023 to 2024 academic year, to encourage the development of healthy, active lifestyles.

School are free to spend the Sports Premium as they see fit, however our approach and vision for our pupils is to ensure that all are offered *'rich opportunities and memorable experiences'* and that those from poorer socio-economic backgrounds do not suffer barriers which hamper their progress and attainment.

Our decisions on how best to use the 'Sports Premium' are based on the findings of high quality research and publications, as well as OFSTED's own 'best practice' guides. These have supported our decision on expenditure over the best and most effective use of our Sport Premium Funding.

We believe that:

- All of our children should and will benefit from the teaching and learning opportunities that Sport Premium funding provides
- Appropriate provision is made for all pupils belonging to vulnerable groups, including those who are from socially and economically disadvantaged groups.
- Sport premium spending should be allocated following a needs analysis which identifies children with priority needs.
- Our Sport Premium funding should be spent in a wide and imaginative variety of ways, so as to benefit the wide variety of interests and needs of our children
- Our Sports Premium funding should be spent according to 'best value principles' and related to activities which research suggests will make the very best use of the finances available
- Whilst there are some 'quick wins', there is a need to also take a 'long term view' to stop achievement gaps from widening. Some of our long term objectives will take more than an academic year to come to fruition.

### **Our Pupil Premium Funding**

Total number of pupils on role: 451 (391 from Y1 - 6) Total amount of Sports Premium Grant per pupil: £10 each (Y1 - 6) plus £16,000 Total amount of Sports Premium Grant: £19,910

### **Our Targeted Areas**

In order to improve the progress and outcomes for pupils we aim to:

- Increase confidence, knowledge and skills of all staff in teaching PE and sport.
- Engagement of all pupils in regular physical activity.
- The profile of PE and sport is raised across the school as a tool for whole school improvement.
- Broader experience of a range of sports and physical activities offered to all pupils.
- Increase participation in competitive sport.

# Nature of Support 2023-2024

Record of Sport Premium Grant Spending by item/project 2023-24

(PPP – Pupil Premium Pupils)

Item/Project/Action	Objectives	Cost	Expected Outcomes		
Increase confidence, knowledge and skills of all staff in teaching PE and sport.					
<ul> <li>Teaching staff will receive high quality professional development in staff training sessions delivered by specialist from Aston Villa to support the teaching and learning of PE.</li> <li>Complete a 'subject in focus' to ensure high quality teaching and learning is taking place to identify areas for development to be supported by these training sessions.</li> <li>Staff feedback to confirm CPD is continuing to support high quality teaching and learning in PE.</li> </ul>	<ul> <li>Raise attainment and progress in PE.</li> <li>Ensure all staff have access to high quality professional development and resources needed.</li> <li>Create a challenging environment that will enable every child to fulfil their potential.</li> <li>Staff continuing developing their knowledge and understanding of how best to use the spaces available to them to ensure all pupils are engaged and fully active.</li> </ul>	£22,597.00 to Aston Villa contract to have access to the training sessions.	<ul> <li>Pupil voice evidences that children are fully active in PE lessons and that children are appropriately challenged or supported in PE.</li> <li>Sustainability – Teachers and TA show an increase in confidence in delivering the PE curriculum due to the training sessions, allowing them to support colleagues themselves in the future.</li> <li>'Subject in focus' indicates all pupils make progress and are challenged to reach their potential and to ensure relevant skills are being taught and the space is being used effectively.</li> <li>Staff feedback shows an increase in confidence in areas of PE in which they have received CPD.</li> </ul>
